Title 1 school

Dear East Lee Family,

As we approach the final stretch of the academic year, I want to take a moment to commend each and every one of you for your dedication and hard work thus far. Together, we've accomplished so much, and I'm incredibly proud of our collective achievements.

Finish Strong in Q4 and School Attendance:

As we enter the last quarter of the year, let's rally together to finish strong. Consistent school attendance is key to success, so I urge all students to prioritize being present and engaged in every class, every day. Your commitment to attendance not only enhances your own academic journey but also contributes to a more vibrant and dynamic learning environment for all.

Importance of Testing and Graduation Requirements:

With graduation on the horizon, it's crucial to stay mindful of testing requirements and deadlines. Whether it's SATs, ACTs, or other assessments, these tests play a vital role in meeting graduation requirements and opening doors to future opportunities. Keep an eye on the calendar for important testing dates and ensure you're adequately prepared. Your counselors and teachers are here to support you every step of the way.

Summer Enrichment and Credit Recovery:

For those who may need additional support or credit recovery over the summer, remember that help is readily available. Reach out to your counselors to explore summer school options and enrichment programs. Summer is a valuable time for growth and learning, and we're committed to helping you make the most of it.

Family Support:

Finally, I want to extend a heartfelt thank you to all the families who continue to support our students' educational journeys. Your encouragement, guidance, and involvement make a world of difference. Together, as a strong and united community, we can empower our students to reach their fullest potential.

As we embark on this final leg of the school year, let's maintain our focus, determination, and spirit of collaboration. I have every confidence that, together, we will achieve great things.

Yours in Education,

**Tony A. Allen
Principal, East Lee County High School**

Asbestos Message

Notice

This school has been recently inspected and certain asbestos-containing materials or assumed asbestos-containing materials such as: fire doors or roofing materials that are tested prior to repairs or removal as needed, have been located in the school buildings. Please be aware that the School District of Lee County has an active management plan designed to ensure that the building is maintained safely for all occupants. These materials are being controlled in accordance with the Asbestos Management Program for the School and following the limitations and procedures of the policies and requirements of the Asbestos Operations and Maintenance Program of the School District of Lee County. The report lists the location, quantities, and condition of all known materials and contains the details of the control procedures. It is available at the school office for your inspection during normal school hours. Copies of the whole or parts of the school's asbestos file can be supplied to you at a cost of \$0.15/page.

Yearbook Message

"The Yearbook Club & Class has worked hard to Meet ALL of our production deadlines this Year! And WE DID IT! Jostens has awarded this year's ELCHS Yearbook class \$1,000 credit for meeting all production deadlines.

Sewing Club Message

Join our after-school sewing club every Tuesday. Meet in the cafe at 2:15pm. Get creative with Ms. Francis and unleash your stitching skills! Don't miss out. #SewingClub #AfterSchoolFun

Protocol for signing out your student(s) early

Sign-Out Process

East Lee County High School is a closed campus. Students are expected to remain on campus from the time they arrive until school is officially dismissed. Appointments should be scheduled after school hours, but in the event that it isn't possible, a doctor's note should be turned in the day the student returns to school. If your student is a driver, walker, and/or rides a bike to school, and must leave school early, in order to facilitate a quick and efficient sign-out process, please complete the East Lee County High School Electronic Sign-Out Google Form located on our website. Electronic sign out requests should be submitted prior 10:00 am daily. The form requires the student's name, student ID number, date, reason for sign out, and telephone number where a parent/guardian may be reached that morning to verify sign-out. Sign-outs after 1:00 pm are prohibited per School Board Policy 4.16(e) (1). Students 18 years of age or older must follow the same sign out procedures.

Parents and students are encouraged to schedule appointments after school hours to avoid the disruption of instructional time for students

FGCU College Reach-Out Program

The College Reach-Out Program is a State of Florida grant-funded program designed to prepare middle and high school students to successfully pursue and complete post-secondary education.

Our students are seen at their FLIGHT Leadership meeting during the month of February, 2024. Students were led by college students, and encouraged to discover leadership opportunities on campus as FGCU students, as well as to delve into their self-interests and motivations.

CROP meetings are fun, allowing students to socialize after school during pizza parties. Searching for future colleges to attend and other post -secondary opportunities, are part of the bi-monthly routine. Seniors also search for scholarships and are guided by university liaisons who visit campus to support students in their searches and applications for financial aid.

WE ARE CHAMPIONS!

Photos taken by CADY

On November 7, 2023, the ELCCHS football varsity team reclaimed their trophy in a thrilling game against the rival team Gateway High School. After suffering a defeat in 2022, the East Lee team was determined to fight back and prove themselves on the field. This victory gave us a moment to celebrate the hard work and dedication of the East Lee County High School football team.

Recognized for great leadership!

Let's give a big shout out to Ms. Kristin Stevens - one of the ELCHS assistant principals. Ms. Stevens is one of the top 3 finalists for Florida's Assistant Principal of the Year. Ms. Stevens was named the School District's 2024 Assistant Principal of the Year in November and entered into the state competition. She has been working at East Lee County High School since 2020. With Ms. Stevens' great leadership and the passion she has for the out-going seniors, she helped increase the graduation rate from 72% to 95.1% in the year of 2023. Ms. Stevens is a great mentor to the East Lee County High School seniors, getting them ready to go out into the real world and meet their graduation requirements. Thank you, Ms. Stevens, for everything you do for East Lee County High School students and staff. It is a great honor to have you as part of the Jaguar family.

From Ms. Stevens:

"I am proud to be part of a team of dedicated professionals who are committed to thinking creatively, working diligently, and prioritizing our students. Our students deserve the best we have to offer, and I am honored to serve and represent this team as we work toward that goal."-Kristin Stevens

BAND

You may ask yourself, what is marching band? Marching Band is Color Guard and Band conjoined as they march on the field creating amazing music and wonderful visual effects. They are often seen performing during halftime shows although there is more to it than that. This year, our marching Jaguars were a part of MPA for the first time in our school's history!! MPA is something like a showcase where all school marching bands perform in front of judges and get a final score. East Lee County High School Marching Band got straight superiors in our first year!
